Dear Commission:

Re: Southern California Edison's Comments on the Staff Paper "Proposal to Assess Electricity Supply, Resource, and Bulk Transmission Planning Data"

Pursuant to the Commission's 2005 Integrated Energy Policy Report Committee's Staff Paper titled, "Proposal to Assess Electricity Supply, Resource, and Bulk Transmission Planning Data" and the questions contained within the Preliminary Agenda for the November 18 workshop, Southern California Edison would like to take this opportunity to provide the enclosed comments on the Staff Paper and answers to the questions posed by the Commission.

If you have any questions regarding these comments, please call me at (916) 441-2369.

Sincerely,

Manuel Alvarez
